**Tiffany Club of New England
presents its
30th Annual First Event 2010
January 13 thru 17, 2010**

Mark your calendar now, and plan on joining the Tiffany Club of New England's First Event, one of the oldest and largest transgender events; its workshops and presentations have traditionally been one of the premier events for learning a great deal of useful information, and for having a great time celebrating with friends and making new ones.

It's a time to get out of the closet, classroom, or meeting hall, and into an accepting society where you can interact with others in the way that you feel most comfortable. **Fun, fulfillment, and growth** are what First Event has to offer.

There are many workshops to attend covering a wide range of topics such as marriage & relationships, facial feminization options, family issues, political activism, legal issues for the trans person, options for hair removal, sexual health concerns, feminine movement & body language and more as well as vendors to help you get the perfect solution to any fashion need.

Many couples also join us at First Event to take advantage of the safe, secure atmosphere to develop or renew a higher level of understanding, acceptance and harmony.

To register, fill out the Registration Form on our web site at www.tcne.org.

Please note: the deadline to get your registration in by mail is January 8, 2010. We can't accept any mail-in registration after that date.
