Before you register, let me share some of the exciting events:

On Wednesday evening, we will be taking a group to see the new show, *Transcripts: The Women*, at the American Repertory Theater in Harvard Square. We will bus people from Marlboro. We are excited to have highly discounted tickets, so please consider adding this to your registration. This will be an amazing event and we hope you join us

Thursday will start with a bang as we will hold both the Professional Training Program and workshops for the general Program. In the evening we will again

hold the Evening of Elegance along with our Community Service Award. Busses will leave at 5PM to take us to the most beautiful Mechanics Hall in Worcester MA, for a fantastic evening including cocktails, dinner, awards and music before and after (with dancing) by our friends Dale LePage and the Manhattans. Our Community Service Awards honorees this year are Grace Sterling Stowell and Mason Dunn

On Friday, we will have a full day of workshops and in the evening our more than famous Fashion Show with our 30 plus foot runway. Not to be missed. The feminine comportment luncheon is an option on your registration, so do not forget to add this in.

Of course, Saturday are hopping with the General Program in full swing and the Youth and Family Program taking off. There will be so much to do! The evening will have the banquet and Keynote Speaker Louis Mitchell who will mesmerize you with his story. We also still have a few surprises in store for you!
